Volume 81 July 2018

Greetings,

Vacation Bible School is two weeks away! The dates for this year's VBS are July 8-12th from 6pm - 8:30pm. You can find pre-registration forms on the welcome table at the church. You can also find a link to pre-register on our Facebook page. We are so blessed to have Tanner working with our children. He is doing a wonderful job. At the end of the month, our youth will be going to Student Life Camp. This is the first time our students will be going to youth camp. Please be in prayer for the 8 youth and 4 adults attending camp.

Thank you for allowing me the opportunity to continue my education at Baylor University, as I pursue a Doctor of Ministry. It means the world to serve a congregation that values education. This is evident in your support and love for Tanner. You have given him the opportunity to minister to our children at Memorial while also studying at Carson-Newman. Likewise, you have blessed me to continue my education while serving as your pastor. I will never forget the grace you've shown me. Someday, I will be 75 years old, looking at a young pastor who wants to continue his education, and I will always remember your support, encouragement, and love to me. Thank you!

We will continue our sermon series on Stewardship this month. As we approach this 4th of July, we have a lot to be thankful for. We are blessed to live in a country where we can worship God freely. To live in a place where we can have the difficult conversations with one another. We don't always agree, and that's okay! Because at the end of the day, we are grounded in the good news of Jesus Christ. This 4th of July, my prayer is that we will honor God with the freedom that we have been given. Thank you to those who serve our country!

Blessings,
Pastor John
